Pool time

We thought, with the summer upon us and the pool season in full swing, that this would be a good time to congratulate Majestic Pools & Landscape (rather belatedly) on their record breaking haul of awards at the 2009 SPASA Awards.

With a total of 27 awards, 11 of which were the highest accolade possible - the company also took a clean sweep in nine categories, cementing its reputation as Australia's most awarded pool builder.

And on the principle that a picture is worth a thousand words we've put together a collage of Majestic Pools & Landscapes award winning entries.
